

## ***Taos Teen Media Camp Details June 6-11, 2005***

Congratulations, you made it into the Taos Teen Media Camp 2005! It was hard to decide on where to place people where each would shine. Most participants applied for video as their 1<sup>st</sup> choice, so we went through a rigorous procedure making sure you are all happy with your placement. All 3 tracks (video, audio and print) are going to be awesome. We can assure you that it will be stimulating, whichever track you work with. We are really excited to have you be part of the camp. This page is the details page so you know what to bring, where to go, etc.
