

# PLEASE JOIN US FOR A GALA FUNDRAISING EVENT FOR *CARISA JOSEPH* & HER FAMILY

Carisa Joseph, a friend, wife and mother in our community suffered a severe asthma attack about three weeks ago. She is currently at UNM hospital in Albuquerque in a coma-like state.

In an effort to support the family financially, as they do not have insurance, we are organizing a fundraising music extravaganza.

While the cause may be somber, we plan to have fun celebrating the spirit of life and love that has inspired it. You do not have to know Carisa to enjoy this wonderful event.

Please come to this event and show love to this family who are suffering.
